

Premise/Ideas to raise capital & money

- 1) The idea is take elements of my life experiences and create fictional characters that embody heroic and noble qualities for *everyone* to look up to. (A hero for the major religions; Christianity, Islam, Judaism, & Hinduism/Buddhism.)
- 2) Take pieces of my grandfather's life and intermingle them with fictional story elements
 - a) This is not for revenge or justice; this is about spreading the absolute fact that God never forsakes us and a modern account of His power is what is needed. Plus, the chance to meme the federal government sounds like a Hell-a lot of fun.
- 3) Use ChatGPT/similar AI to help create content
- 4) Create an album of 10 songs for this product
- 5) I am the first to use a medium that has not been taken advantage of and is still in its infancy.
